

2026 PARK & RECREATION PROFESSIONALS DAY

Toolkit for PRPS Members

This PRPS toolkit is intended to help YOU, our park professionals, celebrate Park and Recreation Professionals Day. The toolkit includes social media posts, graphics, posters, and logos to help spread the word and celebrate park professionals.

We are returning to the original star logo because park and recreation professionals are truly stars in our communities!

Every third Friday in July, we celebrate Pennsylvania Park & Recreation Professionals Day to honor the people who work to provide the programs and facilities we all enjoy.

Social Media Samples

We encourage you to use these sample messages to help raise awareness of Park & Recreation Professionals Day among your customers and followers. We also want to see how you're celebrating, too. You can send us photos, reels and videos leading up to the day to eschnellbaugh@prps.org.
