

To Whom It May Concern:

The Pennsylvania Recreation and Park Society (PRPS) and District III are hosting their **Tenth Annual Golf Tournament on Friday October 2, 2026**, at Arrowhead Golf Club. We are asking for donations (gift cards, give-a-ways etc....) that can be used as door prizes; and or, raffle prizes. Last year we had 148 golfers, and we would like to see all the participants go home with some very nice prizes. Any donations equaling \$100 or more will get a hole sponsor sign, mention in our golfer booklet and our deepest gratitude.

Pennsylvania Recreation and Parks Society (PRPS) is the principal statewide association providing professional development, leadership, advocacy and resources for those working and volunteering in the parks and recreation field. The Society's members include managers of municipal and state recreation and park systems, recreation therapists and wellness specialists, higher education professors and students, managers and programmers of commercial recreation facilities, suppliers and manufacturers of recreation and park products and services, and citizen members of community recreation and park boards across the Commonwealth.

Founded in 1935, PRPS is a nonprofit 501(c)(3) (25-1265412) professional membership association with nearly 2,000 members statewide. PRPS District III is hosting its annual golf outing this October. Proceeds raised will go to PRPS and local **PRPS member who is battling stage IV breast cancer**. Karen has now lived with this affliction for over 11 years and has undergone over 120 chemo treatments. **She fights for us, and we fight for her.**

Thank you for your time and consideration. If you are able to donate you can contact either one of us via email at our cell. Have a nice day.

Sincerely,

Joseph Seltzer
