CHEYNEY
UNIVERSITY
OF PENNSYLVANIA

Hotel, Restaurant, and Tourism Management (HRTM), BS

Through a cutting-edge, experiential education, our graduating students are industry-experienced, technologically savvy, and effective oral and written communicators. With an ability to think critically and to systematically solve problems, our students are prepared to succeed in these competitive and growing fields.

The HRTM Program at Cheyney is proudly accredited by the Accreditation Commission for Programs in Hotel Administration (ACPHA).

Recreation and Leisure Management, BS

The Recreation and Leisure Management program prepares students for job opportunities in any recreational setting through:

- Understanding of concepts and philosophies
- Development of a personal, professional philosophy of recreation.
- Thorough knowledge of the nature and history of the recreation movement, its origin, and current trends.
- Opportunities to demonstrate competence, academic knowledge, and physical skills for eminent leadership recreation.
