

JOB OPENING NOTICE

In accordance with the United Steel Workers Contract – Article X – Posting Procedures, this is notification of an opening for the following:

Parks and Recreation
Aquatics Facility Maintenance Specialist
Rate: Starting \$31.64; after 60 days \$33.72; after 6 months \$36.88

NOTE: This rate applies to current Borough employees wishing to transfer to this position in accordance with the USW contract.

Under general supervision, performs skilled, semi-skilled, and routine tasks in the operation, repair, and maintenance of the Borough's two outdoor swimming pool complexes. Responsibilities include water quality systems, water chemistry, mechanical and plumbing maintenance, site amenities, safety equipment, grounds, building and masonry repair, and custodial upkeep. Operates, maintains, and repairs pool pumps, filters, controllers, and chemical feeders; develops procedures and inspection schedules; and oversees contractor work as needed.

When not actively working at pool facilities and throughout the off-season assists the parks maintenance crew with a variety of year-round maintenance tasks. This includes mowing and landscaping, playground inspection and repair, trash and debris removal, cleaning facilities, assisting with park projects and renovations, and supporting community events. The position contributes to overall care and operation of all Borough parks, recreation facilities, and athletic fields.

Education/Experience:

Combination of experience, education, and training that demonstrates required knowledge and abilities. Three to five years of paid experience in aquatic or commercial pool maintenance or park facility maintenance required.

Demonstrated safety record and supervisory experience preferred.

Required: Valid Pennsylvania Driver's License

Preferred: Pesticide Certification (Categories 23 & 24); Certified Pool Operator or Aquatic Facility Operator Certification

Wages and benefits are available under the union contract and apply equally to this position. Interviews with all qualified candidates will commence upon completion of posting period.

All applications shall be submitted in person and in writing to the Director of Human Resources.

POSTING DATE: April 15, 2026

FINAL DATE: April 20, 2026
