Move Up Without Moving Away from the Work

What You'll Do:

- **Stay hands-on:** Put your maintenance skills to work on buildings, electrical systems, plumbing, carpentry, grounds, and more.
- **Take on something different:** Work across historic buildings, gardens, grounds, and a modern visitor center.
- **Have a say in the work:** Help plan projects and provide advice and recommendations that management values.
- **Take the lead :** Coordinate projects, contractors, materials, and the work of a small maintenance team.

What We Offer:

- **A lower-stress environment:** Focus on doing quality work in a supportive, steady setting.
- **Variety in your day:** Different buildings, systems, and projects keep the work interesting.
- **Generous paid time off:** Holidays, vacation, sick time, parental leave, and more.
- **Excellent benefits:** Health, Rx, dental, vision, and life insurance plus secure retirement plan options.
- **Total compensation:** Package value more than \$91,000 annually.

Application deadline: September 17, 2026
