

# Now Hiring

## *Facility Operations Supervisor Beaver County*

### Maintain History & Secure Your Future

#### What You'll Do:

- ✂ **Lead maintenance operations:** Oversee repairs of buildings, systems, and grounds.
- ✂ **Perform skilled trade work:** Apply carpentry, plumbing, and electrical expertise.
- ✂ **Plan and manage projects:** Coordinate resources, materials, and timelines.
- ✂ **Supervise facility staff and contractors:** Train, assign tasks, and support team members.
- ✂ **Maintain site safety:** Enforce safety rules and oversee fire and security systems.

#### What We Offer:

- ✂ Generous **paid time off** including holidays, vacation, sick time, and parental leave.
- ✂ Regular **salary increases**—typically twice per year.
- ✂ **Healthy work-life balance** with supportive policies and programs.
- ✂ **Unmatched benefits** including health, eye, dental, and life insurance plus secure **retirement** plan options.
- ✂ And **much more**...our total compensation package value exceeds **\$91,000** annually!

**Application deadline: August 20, 2025**
